## LIGHT AND LIFE IN I FIELD

The church of St. Margaret  
On a winter's morning  
Lit by a bright sky  
As day is dawning.

Reflected on the weather vane  
The light of the sun.  
Walkers out in the fields,  
Puppies having fun.

Lights on the Christmas tree,  
**Families** drawing near.  
Voices raised in melody  
Carolling with cheer.

Light and life at Christmastide  
And into a new year!
