## GOFFS PARK

**Daffodils** nod in the early Spring breeze  
people stroll past in twos and in threes  
the park yawns and stretches  
a dog fetches its ball.

Two children play frisbee  
with giggles and laughter  
a bearded artist  
crafts whimsical squiggles.

Miniature train, closed since Winter,  
one driver, no passengers,  
chuffs round the track.  
"Peep! Peep!" it shrieks, "I'm back."
